

REMARKS/ARGUMENTS

Claims 3, 9 and 18 are cancelled; Claims 1, 14-17 and 19-20 are amended.

Claim 1 is amended to add a period at the end of the claim. Claim 14 is amended to remove an extra instance of the word “wherein.” Claims 15-17 and 19-20 are amended in the preamble to describe “The polymer dispersion of Claim 7,” because Claim 7 is drawn to “A polymer dispersion...” Each amended claim is supported at the correspondingly numbered previously presented claim.

No new matter is added.

The claim amendments correct minor errors in the claims, and require no further search or consideration. Accordingly, Applicants request this Amendment be entered.

Respectfully submitted,
